New Road Academy - School Uniform Policy

INTRODUCTION

The government has been promoting higher standards of school uniform and the Local Authority, in partnership with schools, governors and unions has developed 'Guidance for Schools on School Uniform and Dress Codes'.

The purpose of this guidance is to support the development of a school uniform policy which is sensitive to the needs and beliefs of the whole community. Schools should act fairly and reasonably, bearing in mind their duties under the Human Rights Act 1998 and anti-discrimination legislation which are explained within this document.

It has always been our school policy that all children wear school uniform when attending school or when participating in a school-organised event outside normal school hours.

All efforts have been made to ensure that all uniform can be bought from a range of providers at affordable prices. We have kept the buying of named items to a minimum.

The school receives student premium funding for Pupil Premium students. It also has a school fund that may be used to subsidise the purchase of compulsory school uniform, in cases of extreme hardship. Requests should be put in writing and addressed to your child's Head of Year.

Aims

Our policy is based on the notion that school uniform:

- Promotes a sense of pride in the school in line with our ethos;
- Engenders a sense of community and belonging towards the school;
- Supports positive behaviour and discipline;
- Is practical and smart;
- Identifies the children with the school and encourages identity with the school;
- Makes children feel equal to their peers in terms of appearance and helps nurture cohesion between different groups of students;
- Is regarded as suitable wear for school and good value for money by most parents.

PLEASE NOTE:

We understand that a minority of students push at the boundaries of uniform acceptability and parents can sometimes be left feeling somewhat unsure about the uniform required. We hope that this will confirm in a little more detail the exact requirements that we will be expecting from all students. It will be common practice to challenge students about their compulsory uniform and hope that this will help you to check that your child's uniform is current for New Road Academy and in good condition.

If a child in school does not meet our uniform policy, then staff will work with them, and parents/carers to rectify their uniform so that it is in line with policy. If a child then continues to fail to rectify their uniform, our behaviour policy will be applied in response to non-compliance.

Continuous failure to adhere to the uniform policy will result in the following

Form Tutors will:

- Contact family.
- Set student detentions.
- Record the event on Bromcom.
- Remove from Academy trips and external visits.

Head of year will:

- Meet with family.
- Set student detentions.
- Record the sanction on Bromcom.

Pastoral Leaders will:

- Remove students from lessons and isolate until the matter is resolved.

We would also recommend that it is prudent to label each item of clothing with your child's name as this avoids problems of clothing getting mixed up, particularly in PE changing rooms, and if mislaid it can be identified and returned quickly.

The Role of Governors

The Governors' support the Headteacher in implementing the school uniform policy. It considers all representations from parents regarding the policy and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity.

It is the Governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities.

Governors ensure that the school uniform policy helps children to dress sensibly in clothing that is hardwearing, safe and practical.

See below for examples of acceptable uniform:

Shoes

The following examples show what types of shoe styles are acceptable and suitable to be worn with school uniform. They should be entirely black and leather or a leather style in appearance. They should not have any logos or writing on them. **Canvas shoes, boots and high heels are not permitted.**

When purchasing new shoes for your son/daughter, please ensure you follow this guidance as some shops or supermarkets advertise shoes as school shoes that do not meet our expectations. Shoes must be leather material only and have no logos of any kind.
