

# Careers News

March 2026

“  
You are the  
narrator of  
your next great  
adventure.”

I was so proud of our Year 10 students for representing us so well in Mock Interviews at the end of January. The comments from our volunteers were brilliant and showed what smart and talented students we have at New Road.

March is another exciting month for Y10 who have their work experience week. They have spent time writing their CVs and filling out applications ready for this important event. I wish them the best of luck.

For the rest of the school, it's National Careers Week! Follow along online with the #NCW2026 and follow Careers on Instagram for more information.
