May 2026

Key Dates

Year 11 GCSEs start

13th May & 20th May
Sunnycroft Project - Y7

April was a busy month despite the Easter holidays! The Careers Dept took some students on aspirational visits to Staffordshire University, Sunnycroft National Trust, Stafford College and Telford College.

May sees the start of GCSEs for Year 11 and the culmination of all their hard work over the next 5 years. They will be off spreading their wings to a variety of places next year, including Shrewsbury College, Stafford College, apprenticeships and the local sixth forms.

It's really important to understand what options there are for you when you leave school, so I encourage you to check out this link:
