

Careers News

July 2026

There is still a lot to learn
and there is always great
stuff out there. Even
mistakes can be wonderful.

ROBIN WILLIAMS

As the academic year comes to an end, we wish our Year 11 well as they start on their next adventure.

This year has been full of events and visits in the Careers Dept. If you are in KS4, you have had the opportunity to go on work experience and complete mock interviews. We have been on workplace visits and enjoyed meeting employers and local businesses.

In KS3, you have had a variety of visits to choose from including the Big Bang and LEGO Innovation. Year 9 will take part in speed networking and take over day in July.

We have certainly been busy!

If you would like something to keep you busy over the summer holidays, check out springpod.com where you can take part in virtual work experience to improve your CV and understanding of various industries.

Key Dates

1st July: Y7 Sunnycroft

2nd July: Y9 Speed Networking
