

Careers News

June 2026

Key Dates

Year 11 GCSEs continue

3rd & 17th Jun: Y7 Sunnycroft Project

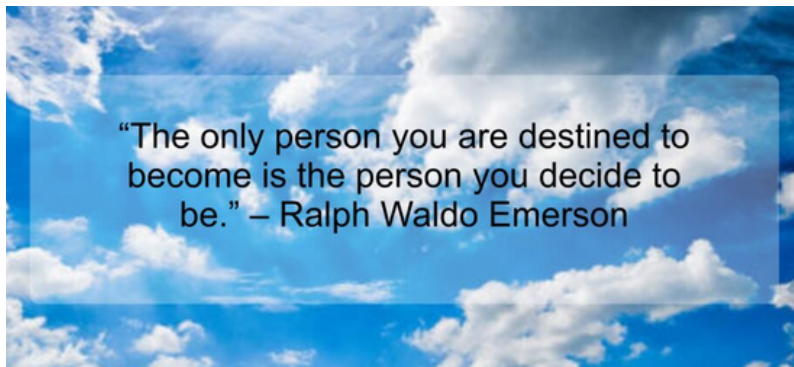

4th Jun: Y10 Phoenix visit

9th Jun: Y7 Big Bang

17th Jun: TYCTWD

25th Jun: Y9 HSC to Stafford College

26th Jun: Y7 to HAU

We are super excited to kick Summer 2 off with some great visits planned for Key Stage 3, where we can explore science careers at the Big Bang. This is followed by Y7&8 going out to work for the day on the 17th, seeing what life is like in a real workplace.

Finishing the term, students will be attending a local college and university for a taster day. This is an exciting opportunity to see whether this could be something they'd like to study in the future.

Unifrog is our careers platform that everyone can access using their school email address.

Check it out for quizzes, job information, apprenticeships, webinars, university courses and much more!
